

Step 1: Select between the Short Form and the Long Form of CREDI

[\[CREDI User Guide\]](#)

Short Form:

- Appropriate for large-scale surveys and monitoring efforts
- Provides an overall score capturing early childhood development

Long Form:

- Appropriate for research and evaluation projects
- Provides domain-specific scores in motor, cognitive, language, social-emotional, as well as an overall score

Step 2: Review and prepare **Short Form** materials
