

Step 1: Learn more about the CREDI and select between the Short Form and the Long Form [[CREDI User Guide](#)]

Short Form:

- Appropriate for large-scale surveys and monitoring efforts
- Provides an overall score capturing early childhood development

Long Form:

- Appropriate for research and evaluation projects
- Provides domain-specific scores in motor, cognitive, language, social-emotional, and mental health development

Step 2: Review and prepare **Short Form** materials

[[CREDI Assessor Manual](#)]
[[CREDI Short Form](#)]
[[CREDI Short Form Illustrations](#)]
[[CREDI Short Form Item Guide](#)]

Step 2: Review and prepare **Long Form** materials

[[CREDI Assessor Manual](#)]
[[CREDI Long Form](#)]
[[CREDI Long Form Illustrations](#)]
[[CREDI Long Form Item Guide](#)]

Step 3: Using the materials prepared in Step 2, administer the CREDI and record your responses

Step 4: Calculate CREDI scores

[[CREDI Data Management and Scoring Manual](#) is coming soon]

Step 5: Share your results
